TOWN OF
WILMOT
NEW HAMPSHIRE

1996
ANNUAL REPORT

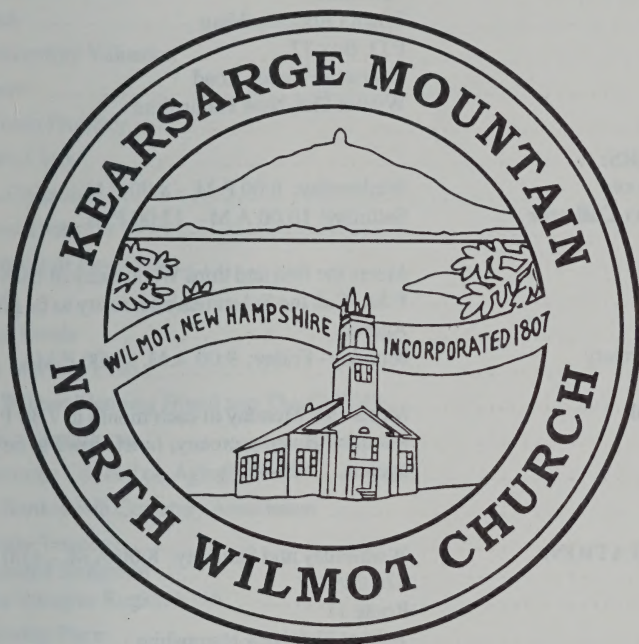

**In Loving Memory of
Robert Raymond Tawney**

Bob was born in Ottawa, Kansas on October 29, 1923, the son of Faye and Raye Tawney. He grew up in Ottawa and after graduating from high school, he served in the Army during WWII. After four years and the end of the war, he traveled around Europe playing his trumpet with a group of friends. He later returned home, received his B.S. from the University of Kansas and enjoyed playing in their band. After graduation, Bob moved to Kansas City and later, Framingham, Massachusetts and began a thirty-year career with the General Motors Corporation. He worked as a Labor Relations Specialist and Personnel Director at various plants in Massachusetts and Michigan. While in Massachusetts he received an M.B.A. from Boston College. Bob met Joyce in Framingham and they were married for thirty six years. In 1972 Bob and Joyce moved from Michigan to their current home in Wilmot. Bob Retired from General Motors in 1982 and began work at the New Hampshire Municipal Association where he enjoyed working until his death. He also served as a Selectman for the Town of Wilmot for fifteen years. Bob's other great pleasures were playing golf and singing. He will be greatly missed by his wife, Joyce; his mother-in-law and friend, Florence; his five children, Sarah, Mark, Peter, Martha, and Robert; and their spouses, John, Miyuki, Shannan and Kevin; his sister Shirley Tawney, his brother and sister -in-law, Lowell and Carol Tawney; and his five grandchildren.

He will also be missed by the members of his community who knew him as a good friend, a great neighbor, and an outstanding public servant.

REPORT OF THE SELECTMEN

The year 1996 was one of great change and many positive accomplishments. The Board of Selectmen wishes to publicly acknowledge the efforts of the Planning Board and the Space Committee.

The Planning Board under the Chair of Bill Cloues completed an update of Wilmot's Master Plan. The Planning Board has also proposed a change to our zoning regulations to allow for cluster subdivisions. Extensive research was performed and three public hearings were held in order to draft the proposed ordinance. The specific conditions of the cluster ordinance will help preserve the rural character of our Town and assist in the sound planning of residential and commercial subdivision.

The Space Committee has continued with their detailed analysis of Town space constraints. This dedicated group of volunteers has conducted informational forums and received input from residents, elected officials and staff. This committee has done an excellent job, and they have reported their findings to the Board. The Space Committee has published an update of their findings which is available at the Wilmot Town Office.

Also, on the plus side is the addition of a new computer and a fax machine at our Town Office. Our outstanding Highway Department has benefited from our new backhoe and broom.

Progress is being made on E-911 street numbering with the capable assistance of the Wilmot Volunteer Fire Company, Inc. We anticipate there will be street numbering in 1997. Renovations to the Wilmot Town Hall will also be completed in 1997. The engineering firm of Provane and Lorber provided us with a structural analysis of this venerable Town building, and the analysis was used to formulate an RFP for renovation. We have continued the funds for the Town Hall into fiscal year '97, and look forward to completion of this project.

Having served as Tax Collector/Town Clerk since 1985, Mary Kay Huntoon has decided to pursue other interests. The Town is especially grateful to Mary Kay for her years of dedicated public service.

Sadly, we mourn the death of Selectman Robert R. Tawney. Bob was elected to the Wilmot Board of Selectmen in 1985. Coming from an urban area, we are told that Bob was inspired by the level of political efficacy that individuals had in a small community. He certainly made a difference to our Town! As Selectman, Bob spearheaded several policies which helped to make the Town of Wilmot the wonderful place to live that it is. He will be remembered for his considered counsel, calm view and dedication to the Town of Wilmot.

Respectfully submitted,

Nelson M. Chitterling

1996 REPORT OF THE WILMOT PLANNING BOARD

In 1997, we bade farewell to Dick Franklin, who served very effectively on the Planning Board for seven years, the last two years as Chairman. We welcomed Bill Best as a new member.

A proposed Amendment to our Planning and Zoning Ordinance is included in this year's Town Warrant. We believe that, as we look towards the future, this addition to our Zoning Ordinance will help to establish attractive commercial and residential developments. We urge your support of this Amendment as you cast your ballot on Town Meeting day. Preparation of this Amendment required numerous special meetings and consultations with outside experts throughout the year.

This Amendment concerns "Cluster Zoning", a concept which is not provided for in our existing regulations. Simply stated, it allows, on large tracts, the subdivision into smaller size lots than otherwise permitted, offset by the provision of common "open space" on which future building is prohibited. The number of buildable lots will be no greater than what would be permitted under existing regulations. We have included restrictions on the design of the open space and on how the lots can be developed. Thus we will be assured of adequate areas for landscaping, avoidance of crowding of buildings or parking areas, and future maintenance of the common open space. The Amendment does not change, but supplements, existing regulations.

During 1996, one major sub-division was approved -- the Hall Farm Properties bordering Cross Hill and Elkins Roads. Seven lots were created ranging in size from 14.5 to 250 acres.

Several home occupation requests were processed and approved.

The 1996 Wilmot Master Plan, which summarizes the opinions of our townspeople and serves as guide for developing and modifying our regulations for the future development of the Town, was completed in 1996, the first update in ten years. This involved much work not only by the Planning Board, but by the special committee of interested citizens who sent out and reviewed questionnaires, discussed alternatives, and developed the text. Copies are available at the Town Office and at the Library.

For 1997, we plan to review the adequacy of our existing regulations, particularly with respect to our commercial areas.

Regular meetings are held at the Town Office at 7:30 p.m. on the first Monday of each month. The meetings are public, and we welcome your attendance.

WILMOT POLICE DEPARTMENT REPORT FOR 1996

The Wilmot Police Department continues to operate with two regular part-time officers and one part-time special officer. If you look at other towns around Wilmot, you will find that many have expanded from part-time departments to full-time departments. This results in budget increases two to three times what the Wilmot Police Department uses. We, as a small town department, have held our own; and we intend to continue to do so in the coming years. We believe that your tax dollar should be and will be spent wisely. We will continue to provide you with the best possible service available, without jeopardizing the service that you need and expect.

We would like to thank the following Town Departments for their work in making this a safe and better town to live in:

The Wilmot Volunteer Fire Department
The Wilmot Fast Squad

The Wilmot Highway Department
The Wilmot Board of Selectmen

Without these people, our town could not run!

Listed below are the Police Department Calls to Service for the
Year January 1, 1996 to December 31, 1996.

KEARSARGE AREA COUNCIL ON AGING, Inc. 1996

July 1996 marked the fourth anniversary of Kearsarge Area Council on Aging, Inc.

Throughout 1996, COA continued its growth. Membership increased by 13%, clients served by 30% and units of service by 35% over 1995.

Pursuing its aim "to help make our later years a productive, positive time of life instead of a time of loneliness and uncertainty," COA continued in 1996 to serve members with: Rides for non-drivers, Mr. Fixit repairs, Telephone Reassurance, Friendly Visitor, call-in services, Inter-generational projects and cooperative efforts with other organizations.

Conversations with Lunch, Valentine Luncheon, Mountain Day, Christmas reception and two programs funded by a grant from the New Hampshire Humanities Council, "American Family" and "No, But I've Seen the Movie" served as social and educational gatherings with a combined attendance of over 1400 during 1996.

On October 26, 1996, a conference for older people and their families and care givers was held at Kearsarge Middle School. "Taking Back Our Elder Years" was hosted by COA and co-sponsored by fifteen local agencies. Financial support was provided by the Hilary & James Cleveland Fund of the New Hampshire Charitable Foundation. The conference was led by Joan Doran, COA Vice Chairman and was attended by over 200 seniors. A post-conference evaluation by attendees rated the program's six themes, "excellent" or "very good. Many constructive suggestions were offered for future presentations.

On December 1, 1996, COA moved to its new Program Center at 12 Newport Road in New London. This larger center will allow for provision of services in-house rather than depending on donated space from other institutions. Programs to start in January will include exercise, bridge lessons, painting, quilting, nutrition, movies, card playing and games. Computer classes are planned to be introduced later in the year. Members will be kept informed by the COA Newsletter.

COA is deeply grateful for financial support from Wilmot and other area towns, from donors to fund drives and events, from advertisers in its newsletter, from foundation grants and from individual clients.

COA extends a very special thank you to volunteers who give so generously of their time and talents. Except for Nancy Friese, Administrative Assistant, the COA is an entirely volunteer organization.

Robert J. Bradley
Chairman of the Board

1996 REPORT FROM BUNKER HILL CEMETERY ASSOCIATION

The Bunker Hill Cemetery Association is an all-volunteer group with a mutual interest in restoring the Bunker Hill Cemetery. The Association was pleased to accept the Town appropriated money of \$1,500.00.

The money was used to provide payment to Perry Monuments of Concord, NH. For the past two years, Perry Monuments has helped this Committee to restore, replace and ground groom. This year we were able to complete two-thirds of the cemetery. Twenty seven monuments were repaired either by raising out of the sunken ground, repair with glue, piece together and lay in cement base, pull stumps, loam and seed. The sign at the entrance was donated by Perry Monuments. In 1997, we will continue to retain Perry Monuments to complete the repair work and professionally clean all the cemetery stones.

This summer we had a large bake and yard sale at the Junction of 4 and 11. We extend our heartfelt appreciation to all who donated items and volunteered their time and effort.

Our chairperson is Esther Grace, and she may be reached at 526-6867 for any questions or concerns.

Beryl Sanborn, Secretary

REPORT OF THE WILMOT PUBLIC LIBRARY TRUSTEES

In 1996, your Wilmot Public Library loaned 3,589 adult/children's books and circulated 247 magazines, 316 audiotapes and 665 videos. Through interlibrary loan, 207 books were borrowed by us and 23 were borrowed from us. We purchased the latest Encyclopedia Americana set, and hope to replace it in the year 2000 with a CD-ROM version. A computerized encyclopedia saves money and shelf space, both scarce in a small library.

This year's library events included August and November book and bake sales, watercolor classes with local instructor Margaret Dwyer and Chess Club meetings. In the Second Annual Secondhand Book Hunt, the Trustees scoured local bookstores to find many books requested by patrons and replacements for several well-read volumes. Everett Downing offered a presentation on Egypt at the Friends of the Wilmot Public Library Annual Meeting. In May, the library and the Wilmot Historical Society co-sponsored the Celia Thaxter Program. Also in May, Mary Lyn Ray and Mary Jane Ogmundsen conducted The Great American Read-Aloud in celebration of National Library Week.

The Fall/Winter book series, continuing through April 1997, featured discussion leader Jim Draper's November presentation of The Oxbow Incident and Terry Fiset's December discussion of Snow Falling on the Cedars. MT. KEARSARGE MARATHON was the theme of the Summer Children's Program.

Your library was blessed with a variety of contributions this year. The Friends support group donated much time and energy toward record breaking membership numbers and fundraising. With new and renewed Friends' memberships, many folks included a charitable contribution. We are most grateful for these gifts and for the Friends' efforts on our behalf. Pat Pfisterer's bakesale organization resulted in the most successful sale yet. John Williams donated his time and carpentry skill in the construction of a handsome wooden handrail at the library's front door. There were many book donations, which guaranteed good profits at our book sales. The upgrading of our computer equipment progressed because of the persistence and expertise of Jay and Linda Lambret. Contributions were made in memory of Wilmot citizen Hilda Aldrich. Volunteers contributed many hours at the circulation desk. We cannot operate without them, and we sincerely appreciate their skill and reliability. Our beloved librarian Kathi Donovan, and teen volunteer, Caitlin Topham, donated time and muscle to steam clean the library's carpets. Our community's generosity makes our library great!

Your input serves as our report card. We welcome your suggestions, corrections and questions, because they help us assess whether we truly are the effective, user-friendly information center we aid to be. Please visit the library and let us know.

We created this pathway by affiliating with the New London Hospital Association. The future development of our new partnership and our innovative, high quality programs will support the VNAs mission to improve the health of the community and provide quality, cost-effective care to individuals and families in community settings.

Nine VNA employees; one VNA trustee, Meredith Smith; one HCH Trustee, Virginia Halsey and many volunteers live in Wilmot. We depend heavily on the selfless support of volunteers and employees who contribute hours to the success of our programs. For them and our Trustees, we are grateful.

THE WILMOT LEARNING PLACE - 1995

The Wilmot Learning Place is a non-profit kindergarten and preschool that is financed by tuition, fund-raisers, grants and town appropriation. It plays a very important part in our town by educating the children and preparing them for first grade.

Our school is run under the direction of a board of volunteers, parents, educators and interested residents. A great deal of time is spent on planning the how's, why's and when's of keeping the school running smoothly.

We welcome Clare Morgan to our school two days a week. The children are very fond of Marybeth (with us 10 years); Nancy Woodward (with us 8 years) and Clare Morgan. They all keep the children very busy learning their letters, numbers, simple mathematics and with stories, field trips, library trips and many other activities. The school could not be what it is today without the three of them.

This past year's fund raisers were a huge success! They consisted of a dinner at La Meridiana Restaurant, a plant sale, Yankee Candle Company and the Christmas Craft Fair. Thank you to all the local residents who came to our dinner, bought from our sales, donated time, money, supplies and just showed support to the Wilmot Learning Place.

With the fund raisers and grant funds, we were able to purchase some large and small cabinets for our preschool room. These cabinets come in very handy for storing school supplies, children's artwork and toys. They make the area look much neater and leave the school with more floor space.

1996 REPORT OF THE WILMOT RECYCLING COMMITTEE

We've SLIPPED, Wilmot residents, for the first time since we started recycling in 1991! Recycling tonnage, while more than 85 tons, was 3.5% LESS than in 1995. This represented 16.5% of our trash plus recyclables compared with 19% in 1995. By recycling, we did save just about the same as in 1995, a little more than \$1600, but we should be doing much more than that.

We recycled about 6 tons less corrugated cardboard and paper than last year. Disposal and recycling data suggest that Wilmot residents are discarding tons of cardboard, newspapers, and magazines in the trash compactor rather than recycling them. Please help keep our cost of waste disposal as low as possible by depositing these recyclables in the recycling transporter rather than the trash compactor.

We recycled a total of 123 tons, an amount that was 21% of all materials discarded. We are supposed to be moving up towards 40% by the year 2000, not falling down towards 20%.

Late in the year, the Town received permission to construct a used oil collection tank, with secondary containment in case of malfunction of the primary unit. Residents will be notified, sometime next summer, when they can start bringing used oil for recycling, in State-recommended EMPTY windshield washer plastic jugs (plastic milk jugs will not be accepted), but start saving the recommended jugs.

REPORT FROM EMERGENCY MANAGEMENT - 1996

The goal of Emergency Management is to save lives, prevent injuries and protect property and the environment if an emergency occurs. Emergency Management is responsible for developing emergency plans covering any possible contingency such as tornadoes, hurricanes, mass casualty accidents, floods, blizzards, emergency housing and nuclear war. These plans are coordinated through the use of local resources, equipment and manpower such as the Fire Department, Police Department and the Road Agent.

This year in Wilmot, Emergency Management continued work on the update of our Town Emergency Management Plan and assisted with administrative efforts to obtain FEMA funds to help defray the expense for road repairs caused by flooding.

Hopefully, Wilmot will remain disaster free, but it is essential to be prepared in the event of an emergency.
